**[Welcome to Summer 2020 at WCFS,](#)**

**and an exciting slate of activities created especially for children in rising  
preschool through rising 6th grade.**

**These experiences are designed for children to enjoy together, in age-appropriate groups, with highly experienced teachers from WCFS and around the community.**

**Each day provides unique opportunities for enrichment and creativity, to encourage students to discover and develop new interests and emerging talents.**

**Children create...explore...and experience in the same supportive setting and nurturing community that West Chester Friends School provides all year long!**

For [Little Friends](#), each week focuses on the exploration of a different theme, through art, science, music, fitness, gardening and literature activities, including weekly dance and yoga, water play, Spanish, trips to our tree-top library, time in the WCFS Science Lab and Makers Space and on-campus assemblies.

*In addition to the above activities,*

[Awesome Adventurers and Amazing Explorers](#)...

*Travel on field trips to a variety of area parks, preserves, museums and other activities, which have included Ches Len Preserve, Tyler Arboretum, Iceline, Delaware Museum of Natural History, the Franklin Institute, Tree House World, Brandywine River Museum and many more...*

*take a [Walking Trip](#) each week to enjoy our borough's, and West Chester University's, many fun civic, cultural and educational opportunities...*

*These are enriching, exciting days, full of  
Summer Fun and Learning!*
