Volunteer English Program in Chester County

Terri Potrako, Executive Director

We provide free, one-to-one English language instruction for adults, 18 years and above, who live or work in Chester County. The Volunteer English Program (VEP) provides tutoring through the efforts of civic-minded volunteer instructors who donate their time weekly for a minimum of one year of service.

Phone: 610-918-8222

Email:

volunteer.english@volunteerenglish.org

www.volunteerenglish.org

Tutors and adult learners meet in the community at locations and times that support work-life balance. VEP welcomes adult immigrants from around the world who speak any language. VEP accepts individuals regardless of their language literacy or proficiency level, purpose for learning English, residency or income status.

A Practice Beyond The Poses. At Zia Yoga & Wellness, we honor and embody all aspects of Yoga and Ayurveda. From the very first teaching of Yoga, ahimsa (the practice of non-harm), to the last, samadhi (freedom and liberation), we learn that we all have a right to feel peace - and Yoga is a path designed to liberate us from our own bondage so that we can ignite a revolution of the heart and soul.
